WOOLSEY FIRE UNIFIED COMMANDERS

WOOLSEY FIRE REPOPULATION WITHIN LOS ANGELES COUNTY

The Los Angeles County Sheriff's Department is announcing the repopulation of the following areas impacted by the #WoolseyFire - effective Thursday, November 15, 2018 at 6:00 p.m.

The following areas inside of the City of Calabasas will be opened to residents only beginning at 6:00 p.m. on Thursday afternoon:

This will include the following areas:

- A FULL OPENING of the Old Topanga area
    - Old Topanga Canyon Road from Mulholland Highway (north) to Calabasas City limit (south)

  EXCEPTIONS:
    - Road closure on Old Topanga Canyon Road at the city limit will prevent vehicle traffic north and south from that location.

This repopulation marks the FULL reopening of all communities within the City of Calabasas.

The link below can be used to assist the public in determining if their property is in an area that has been repopulated: https://goo.gl/sUCR5v

Simply visit the link and enter an address for the #WoolseyFire area in the search field and press enter. You can then scroll out on the map to determine if the indicated area has a red or green background. Red indicates the area is still closed and unsafe to return. Green indicates the area is open for repopulation. In addition to the map, the below written descriptions of the areas to be opened has been provided.

The Fire Incident Command continues to monitor the active fire areas, as well as those areas remaining closed due to critical infrastructure concerns or safety hazards. Any future information pertaining to safety conditions and repopulation will be updated at the following link: www.LACounty.gov/WoolseyFire/

The Los Angeles County Sheriff's Department have a strong presence in the repopulated and evacuated areas for the next several days to ensure the protection of our residents and their property. All other road closures and evacuated areas for the #WoolseyFire remain in effect.
