CURRENT SITUATION	
Current Situation:	For today, onshore flow will continue across the incident, gusting a bit stronger than Thursday. Southerly/upcanyon gusts to around 20 MPH are anticipated this afternoon. With the stronger onshore flow, temperatures will be a little bit cooler and minimum relative humidity higher. Firefighting resources will continue to mop up and patrol. Fire suppression repair teams are actively engaged working around the fire perimeter and affected areas. Unburned interior islands as well as burned structures adjacent to control lines will be monitored to prevent spread. Crews remain diligent in providing public service to residents as they return to their homes. Structures destroyed and damaged have been validated by damage assessment teams. Currently 57% of the burn assessment is complete. Ventura County Department of Toxic Substance Control Community Update Here: https://tinyurl.com/woolseyssfl
