Current Situation: Fire activity on the Eagle Fire is minimal. Fire crews continue to construct containment lines, patrol the fire perimeter, and extinguish hot spots. Firefighters remain vigilant, faced with warm temperatures and low humidity. In conjunction with the Bureau of Indian Affairs and California State Parks and Recreation, a CAL FIRE Suppression Repair Team is beginning to assess and mitigate the effects of fire control activities and impacts. Due to aggressive fire control activities during the course of the Eagle Fire, no bulldozer control lines were constructed in the Wilderness Areas of the Anza Borrego Desert State Park. The Borrego Palm Canyon Campground and Trail remain closed, along with the Lost Valley Boy Scout Camp.

Evacuation Orders: None

Road Closures in effect for the general public: None

Cooperating Agencies: CAL FIRE, San Diego County Fire Authority, U.S. Forest Service, Bureau of Indian Affairs, San Diego County Sheriff's Department, California Department of Parks & Recreation, Cal EMA, California Conservation Corps, California Department of Corrections and Rehabilitation, California Air National Guard, Bureau of Land Management, San Diego County O.E.S, and U.S. Customs and Border Protection.
