Current Situation: Unburned islands well within the perimeter continue to burn. Fire crews continue improving existing lines. Mop-up work within the fire perimeter will continue over the next several days. Fire suppression repair work has begun. As residents return please drive with caution as crews continue to work in the area. As the need for fire resources diminishes they will start to be released and will be made available for other incidents within the State. A forecast of higher winds and lower humidity has prompted a Red Flag Warning for the North State with the potential of lasting through Monday. The projected containment date is October 13 2014.

Evacuations: The following area remains under an Evacuation Order (Mandatory). All areas and roads East of the railroad tracks between Applegate Road and Paoli Lane within the burn area, southeast to the America River.

The following areas under an Evacuation Order (Mandatory) were reduced to an Evacuation Warning at 12:00 P.M. All areas and roads from Interstate 80 at Applegate Road south to Hidden Meadow Way extending east to the America River. All Areas northeast to the burn area from Hidden Meadow Way. All areas and roads north of and included Sun Valley Road, Kelley Mountain Road, Bridger Trail, and east towards the American River.

Proof of residency will be required for entry into the repopulated areas.

Evacuation Centers:

Both Evacuations Centers have closed.

Animal evacuations can go to the Gold County Fairground – 1273 High St., Auburn
