Current Situation:

Firefighters continued to improve existing line around the fire perimeter and better mapping resulted in a slight increase in the acreage. The fire remained within its existing perimeter. Mop up operations have begun within the perimeter, and as the fire activity decreases, resources are being made available for reassignment to other incidents.

Evacuations:

All areas and residences along Road 225 from Lark to Mammoth Road are reduced to Evacuation Advisory. All areas and residences along Road 225 from Road 235 to Tunobi Place are reduced to Evacuation Advisory. Evacuation Advisories are issued to alert the media and public of potential Evacuation Orders. Evacuation Advisories contain general information about the incident and how to prepare for evacuations.

Residents returning to their homes should keep an increased level of awareness of fire activity and stay tuned to local media for further instructions. Residents should use caution when returning and be aware of fire apparatus still working in the area.

Mandatory Evacuations still in effect for areas within the fire perimeter include:

- Road 222 north of Tunobi to Carmen Ranch Road, and
- Corrine Lake Road south to Box Canyon and east of Road 222.

Evacuation Centers:

Sierra Presbyterian Church, 39696 Highway 41 in Oakhurst

Oakhurst EV Church, 50443 School Rd in Oakhurst

Cooperating Agencies:

CAL FIRE, USFS, Madera County Fire Department, Madera County Sheriff's Department, PG&E, Red Cross, CAL OES, CHP and additional resources from the central valley.
