On July 30 2015, at 12:40pm the CAL FIRE Tulare Unit received 911 calls of a possible vegetation fire 5 miles north of Three Rivers in Tulare County State Responsibility Area.

As of this this morning 8:00 am the fire has consumed 200 acres and is currently 40% contained. Due to better mapping, the fire size is 200 acres. The fire experienced minimal fire behavior overnight but firefighters will continue to remain on scene as they continue to mop up and begin suppression repair efforts within the fire area.

CAL FIRE would like to remind all residents and visitors to the area that we remain in a drought situation and remember ONE LESS SPARK ONE LESS WILDFIRE.
