**DATE:** August 1, 2015

### **Advance Fire**

**Date Started:** August 1, 2015,  
**Percent Contained:** 55%

**Size:** 86 acres  
**Total Personnel:** 150

**Committed Resources:** 6 crews, 10 engines, 1 water tenders

On July 30 2015, at 12:40pm the CAL FIRE Tulare Unit received a call of a possible vegetation fire 5 miles north of Three Rivers in Tulare County State Responsibility Area. The fire was initially spotted by the USFS Buck Rock Lookout who made the notification.

Due to GPS mapping, as of 8:00 AM, the fire has consumed 86 acres and is currently 55% contained. The fire experienced minimal fire behavior overnight but firefighters will continue to remain on scene as they continue to mop up and begin suppression repair efforts within the fire area. There has been 4 minor injuries to fire fighters on this fire, all have been treated and released from local hospital.

CAL FIRE would like to remind all residents and visitors to the area that we remain in a drought situation and remember ONE LESS SPARK ONE LESS WILDFIRE.
