Current Situation:

There are 7 active fires ranging in size from 147 to 1,510 acres, for a total of 4,615 acres burned. Fire growth is not anticipated on the Blocksburg, Bluford, Dobbyn, Steelhead, Wildcat or Winchester Fires.

Fires are burning in steep, rugged terrain with poor access and heavy timber fuels. Fires threaten Mount Lassic Wilderness, as well as commercial timberland. Much of the timberland is owned by small timberland and rangeland owners, who rely on timber and range revenue for a steady source of income. Fires threaten habitat for threatened and endangered species.

There are several fires burning near the Humboldt Complex in United States Forest Service jurisdiction, including in the Shasta/Trinity National Forest. For information on the USFS fires contact: 530-628-0039.

Road Closures:

Highway 36 is closed from the Humboldt/Trinity county line to State Route 3 in Trinity County.
