## SITUATION

<b>Current Situation:</b>	The Horse fire continues to burn in steep, rugged terrain; while firefighters construct hand line with limited ground access for fire suppression resources. Snags from the Saddle fire continue to challenge control lines and pose additional hazards for crews. Fire behavior is unpredictable and can change at any time; be prepared and stay informed. The fire is threatening numerous recreational assets including; mountain biking, hiking, and back packing trails. Motorists should drive cautiously and always yield to emergency vehicles that are traveling on and off of the roads and highways. Fire danger remains elevated and everyone should continue to use extreme caution and refrain from daily activities that may spark a wildland fire. <b>“Ready, Set, Go” is a user-friendly website that shows homeowners step-by-step instructions for hardening their homes and protecting their families from the dangers of wildfires.
