Dozers: 2	Other:	Total Personnel: 504		

Cooperating Agencies: Bureau of Land Management, California Department of Corrections, California Conservation Corps, Humboldt County Sheriff, Humboldt Office of Emergency Services, Shelter Cove Fire, Briceland Fire.

SITUATION

Current Situation:	<p>Demobilization of excess resources will continue today as crews' transition to the mop up and patrol phase of the fire. Lack of available water sources due to extreme drought conditions has prompted the incident to work with local communities to utilize reclaimed water for incident support needs. Although there is no longer smoke visible from the Horse Fire, residents and commuters should be aware of drift smoke from other established wildland fires in the region. Motorists are reminded to please drive cautiously where heavy equipment and fire engines are traveling to and from the fire.</p> <p><i>One less spark means one less wildfire. Do your part...don't let fires start! For additional information on how to prepare your family and harden your home against wildfires, visit www.readyforwildfire.org. For more fire information about statewide fire activity, visit www.fire.ca.gov.</i></p>
