## SITUATION

<b>Current Situation:</b>	<p>Fire behavior was moderated today due to cooler weather and rainy conditions. A chance of rain continues exists this evening. Rain is assisting firefighter's efforts on strengthening and constructing additional fire line. Firefighters continue to focus on structural defense and perimeter control. 585 homes have been destroyed by the Valley Fire and hundreds of other structures are known to have been damaged and or destroyed as well.</p> <p>*** Damage Assessment teams continue to collect information in the affected fire areas as access becomes available***</p>
