SOME NAPA COUNTY RESIDENTS MAY RETURN HOME

Napa County – The Mandatory Evacuation order denying access to the communities of Aetna Springs, James Creek and surrounding areas will be lifted at 2pm, Saturday, September 19. **This will allow access to these communities immediately.** To support the orderly return of residents to their homes, the following road closures have been revised:

Revised road closures – Effective September 19, 2015 at 1:30 PM

- SR-29 at Tubbs Lane
- SR-29 at Livermore Lane (South of Napa/Lake County Line)
- Butts Canyon Road closed at Snell Valley Road

No additional evacuation orders are being lifted at this time.

The cancellation of additional evacuation orders are being evaluated based on a variety of factors, including potential fire behavior, and the re-establishment of crucial infrastructure.

SAFETY MESSAGE - The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and any evacuation warnings or advisories. If you see electrical wires on the ground, stay clear and contact PG&E immediately. Trees and poles with deep charring, particularly if still smoking, should be considered hazardous. Please drive slowly as emergency personnel are in the area.

As you re-enter your property and evaluate damage, be aware that hazardous conditions may exist, particularly if a residence or out-building has burned. Hazards may include asbestos, heavy metals,

by-products of plastic combustion and various other chemicals.
