Current Situation

Overview: The Reservoir fire is burning on the northwest side of Indian Valley Reservoir in Lake County. CAL FIRE currently has multiple fire suppression resources at scene from Sonoma-Lake-Napa Unit as well as from other CAL FIRE Units across the Northern Region. The fire that is burning in oak grass woodland and heavy brush is 75 % contained. Fire Crews continue to work steadily through the day establishing containment lines around the south part of the fire.

- No structures have been damage or destroyed
- No structures threaten
- No evacuations
- No Road closures
