

GOOSE FIRE

Repopulation Update

Date: 8-2-2016 Time: 9:00 AM

I. **Repopulation Awareness**

- Our responsibility is to make the area safe
- **Drive Slowly**, numerous crews and equipment will be working in and around the roadways
- Traffic and lane controls will be in effect
- Hazard Trees – Need to make sure all trees are safe especially along roadways
- We are doing everything we can to accommodate civilians and get people back into their homes as soon as possible.

II. **Phase I, Tuesday, August 2, 2016**

- All areas west of and including Black Mountain Road from Lodge Road to Tollhouse Road will be repopulated to Residence Only under an Evacuation Warning status. All roads that access the area east of Black Mountain Road will remain evacuated and closed.

Safety Message

If there are electrical wires on the ground, stay clear and contact PG&E immediately.

Trees and poles with deep charring, particularly if still smoking, should be considered hazardous.

Please drive slowly as emergency personnel are in the area.

Subject to Change Based on Operational Conditions
