<b>Cooperating Agencies:</b> California Highway Patrol, California Office of Emergency Services, San Bernardino County Office of Emergency Service, Bureau of Land Management, CALTRANS, San Bernardino County Animal Control, American Red Cross, Southern California Edison				
SITUATION				
<b>Current Situation:</b>	<p>The Pilot Fire is burning in Chaparral and brush in between Pilot Rock Ridge and State Highway 173 in Hesperia and continues to be mostly wind driven. Fire line has been constructed in the Summit Valley area. Crews are continuing to construct dozer line from Pilot Rock to the Lake Arrowhead Community Services District Wastewater Treatment Plant. Aircraft is being used to the extent possible, but visibility is a limiting factor. Firefighters made significant progress over the last 24 hours, however terrain, heat, and wind continue to hinder the firefighter's efforts.</p> <p>Today's temperature is expected to be warmer with a high near 90 degrees, humidity's are expected to remain in the low teens. Winds will continue out of the south west from 10-15 mph with gust as high as 30 mph.</p>
