SITUATION

Current Situation:	<p>Last night firefighters were able to make some progress due to cooler temperatures and higher humidity over the fire. High temperatures and low humidity will continue for the next few days. Today firefighters will continue to actively battle the fire from the air and on the ground. They will also continue to construct containment lines while strengthening and securing control lines.</p> <p>As of 7:00 am, CAL FIRE Incident Management Team 2 has taken command of the Incident.</p> <p>For more information visit www.fire.ca.gov and www.readyforwildfire.org</p>
