CHIMNEY FIRE EVACUATIONS LIFTED **FOR COMMUNITIES SOUTH OF LAKE NACIMIENTO**

This news release is intended to notify residents that evacuation orders for the communities of Tri-County, Cal Shasta, Rancho Del Lago, and South Shore Village will be lifted on Thursday, August 25, 2016 at 12:00 PM.

The communities of Tri-County, Cal-Shasta, Rancho Del Lago and South Shore Village are private gated communities. As such, Running Deer road is not open to the general public. Property owners and residents of the Tri-County, Cal-Shasta, Rancho Del Lago and South Shore Village Ranch Communities are asked to carry a government issued identification card, current utility bill, or other similar evidence showing an address within Tri-County, Cal-Shasta, Rancho Del Lago, and South Shore Village.

Evacuation orders remain in place for Christmas Cove, Oak Shores, North Shore Boat and Ski, Laguna Vista, Lake San Antonio, Sapaqua Valley, and Bryson Hesperia in both San Luis Obispo and Monterey Counties.

Members of the general public are asked to avoid the Tri-County, Cal-Shasta, Rancho Del Lago, and South Shore Village area due to large numbers of fire resources in the area and to respect private property rights of these communities.

We encourage the public to remain prepared year-round for wildfires by visiting the www.readyforwildfire.org website. The best show of support is having your home and property "fire-ready".
