ALL EVACUATION ORDERS LIFTED FOR CHIMENY FIRE EFFECTIVE AT 5:00 PM ON MONDAY AUGUST 29, 2016

Location: Monterey County

Effective Monday August 29 at 5:00 PM all evacuation orders for the Chimney Fire will be lifted. This includes evacuation orders for the Bryson Hesperia area of Monterey County, including all areas south and west of Lake San Antonio. Residents will be able to return to their properties and all road closures will be removed.

Members of the general public are reminded to use caution due to large numbers of fire resources remaining in the area and to respect private property rights of these communities.

All residents are asked to be READY: Create and maintain defensible space and harden your home against flying embers. Get SET: Prepare your family and home ahead of time for the possibility of having to evacuate. Be Ready to GO! Take the evacuation steps necessary to give your family and home the best chance of surviving a wildfire.
