Beaty.				

Current Situation:

The Willard Fire is now 97% contained. Mop up operations continued yesterday, as crews worked to secure fire lines. Today, crews will transition to a patrol status. They will monitor the warmer weather and work to put out all hotspots prior to the increased winds expected today and into next week.

Please continue to watch for slow-moving firefighting equipment on the roadway in and around the fire area.

Stay prepared for wildfire visit www.readyforwildfire.org

Evacuations:

All evacuation advisories have been lifted.

Evacuation Centers:

The Red Cross shelter has been closed.

Road Closures:

All road closures and traffic control points have been lifted.
