## SITUATION

The Southern LNU Complex is being managed in Unified Command by CAL FIRE Incident Management Team 3 and the Napa County Sheriff’s Department. Firefighters continue to strengthen perimeter control lines, provide structure defense and engage in tactical patrol. As some residents are allowed to return to their homes, please drive carefully as emergency personnel are still working throughout the fire area. CAL FIRE asks the public to never fly drones in the area of wildfires. Remember, If You Fly, We Can’t!

For information on the Nuns Fire, call (707) 967-4207.
