SITUATION			
Current Situation:	<p>Crews continued with search and recovery within the debris flow areas. Crews continue searching buildings and debris flows for trapped victims. The unstable environment remains a critical threat to civilians and responders. The large amounts of mud and debris are making access and progress challenging. Search and recovery remains the highest priority.</p> <p>Damage inspection is ongoing and to be considered estimates. More accurate surveys and assessments have realigned the numbers to the most current picture and will continue to fluctuate as data is vetted. An interactive damage assessment map can be found at CountyofSB.org</p> <p>The numbers of missing persons may fluctuate. The Sheriff's Department is continually receiving reports of missing persons and is actively investigating each report. Many reports reach a rapid and successful conclusion, others require additional investigation.</p>
