Multiple Residences Destroyed: 144	Commercial Destroyed: 336	Commercial Damaged: 64	
Other Minor Structures Destroyed: 2,076			

CURRENT SITUATION

Situation Summary:	Overnight firefighters continued to battle moderate fire behavior due to critically dry fuels and gusty canyon winds. Direct and indirect control lines continue to be implemented and secured with back-firing operations as conditions allow. Throughout the day firefighters will work to strengthen containment lines while also preparing for projected increased winds and a Red Flag Warning this weekend. Work continues in the interior areas of the fire area extinguishing hot spots and removing the many hazards that still exist.
