SUMMIT FIRE RE-ENTRY INFORMATION UPDATE

For Immediate Release:

As of **3 p.m., Tuesday, May 27, 2008**, all remaining road closures related to the Summit Fire will be lifted for **residents only**. The roads include Summit Road, Loma Prieta Road and Ormsby Cutoff Road. Mt. Madonna Park will also be reopened. Re-entry into the previously evacuated areas will continue to be restricted to **residents only**. Law enforcement will continue to require proof of residency as a security measure. Proof of residency may be in the form of a government issued I.D. such as a driver's license, utility bill or other documentation indicating the resident's name and address.

All residents returning to these areas are reminded to be cautious and drive slowly due to fire equipment and personnel in the area. Residents are encouraged to minimize travel and traffic in the area. Local law enforcement will remain in the area for patrol and security.
