Evacuations

Governor Schwarzenegger has proclaimed a State of Emergency in Butte County Due to the Wildfires.

Last night we brook a spot fire five acres east of Neal into the ravine. We currently have crews working on the fire today are plan is to hit it with the helicopter drops. As of 02:26 am IC reported a spot fire at 100 acres south of Neal burning in the Hamlin Cannon. We do have crews working on this fire. The biggest concern for us now is the east flank of the fire due to many open lines and the lake of critical resources. Fire apparatus and personnel will be on the shoulder working. Please drive with caution
