Bullards Fire Update

Camptonville, CA... Today's cooler, moister weather continued to assist firefighters as they strengthened and improved containment line around the fire. Tonight, firefighters will complete and improve containment line as needed on the eastern edge of the fire and continue line construction on the southern edge of the fire. Several miles of hose-lay have been strategically placed and extensive mop-up is progressing.

Evacuation orders were lifted by the Yuba County Sheriff's Office. For public safety, the Bullards Bar Reservoir remains closed to recreation and road closures are still in effect.

Evacuations – None for area residents. Bullards Bar Reservoir is closed to recreationists.

Road Closures Still in Effect –

- Oregon Hill Road from Moran to Marysville Road.
- Marysville Road from Merriam to Moonshine Road.
- Moran Road is closed to the general public but open to area residents.

Moonshine Road is Open.

Weather Outlook for Tomorrow – Highs will be 65-70° and humidity levels at 30-35%.

Size – 1,307 acres

Containment – 60%

Injuries – 1 (broken foot)

Crews and Equipment Currently Assigned:

46 Hand Crews

70 Engines

27 dozers

9 Helicopters (for day shift)

Air Tankers available (for day shift)

Total Personnel – 1,362

Agencies Responding - Forest Service, CAL FIRE, Yuba County Sheriff's Department, CHP, PG&E, CA Department of Corrections, private contractors, and local fire agencies including North San Juan, Dobbins-Oregon House, Camptonville, Nevada County Consolidated, Grass Valley, Penn Valley, and Linda Fire.

The fire began Friday afternoon, August 27, and is burning in Yuba County south of Bullards Bar Reservoir on both sides of the North Yuba River on the Tahoe and Plumas National Forests. The cause is under investigation.

NOTE: The Fire Information Center will be located at the Tahoe National Forest Headquarters, 631 Coyote St, Nevada City, -- (530) 478-6101. The Ranger District Office at Camptonville will be open and available for local information.
