---

**Current Situations:** Due to aggressive runs, torching and short range spotting made by the fire today, acreage has increased. Aircraft were used when available, which was not often. CAL FIRE Copter 205 had a rotor strike this morning on the incident and was forced to land safely at the incident. The aircraft was inspected and able to return to it's base in Vina.

**Road Closures:** N/A

**Evacuations:** N/A

**Additional Information:** Base Camp to support the incident is currently being set up at the Silver Dollar Fair Grounds. Resources continue to arrive to support the incident.
