Current Situation: Conditions are windy and dry. Burning in timber and timber slash. Moderate to rapid rate of spread in steep terrain. Fire is in the Mill Creek and Deer Creek drainages. There is no imminent structure or infrastructure threat. Fire is being driven by gusty down-canyon winds. Use of fire crews is critical due to rugged terrain. Incident base has been set up at the Silver Dollar Fairgrounds and CAL FIRE Incident Management Team 4 has been activated. Fire activities will not impact planned activities at the fairgrounds this weekend. Increase in acreage due to extreme fire behavior and better mapping. Fire is actively burning in the Ishi Wilderness Area.

Road Closures: None

Evacuations: None

Additional Information: Approximately 12.3 miles from Cedar Fire. Cooperating agencies: City of Chico, El Medio Fire Protection District, Lassen National Forest, Plumas National Forest, Office of Emergency Services, and Private Contractors.

Uncharacteristic fire behavior for this time of year due to the unusually dry winter and spring. Over the last week there have been over 100 fires in northern California.
