

CAL FIRE/Butte County Fire

Incident Fact Sheet

Media Line: 530-282-5624

05/06/2013 6:30 P.M.

Incident Name: Panther Fire

Location: 140K3 Line, Approximately 8 miles Northwest of Butte Meadows in Tehama County

Incident Start Date: 05/01/13

Start Time: 9:12 A.M.

Incident Type: Vegetation

Cause: Under Investigation

Acres: 6,864

% Containment: 80%

Estimated Containment: 5/9/2013

Injuries: 5

Structures Destroyed: None

Structures Damaged: None

Estimated Cost To Date: \$8,526,868

Equipment:

Hand Crews 59 **Dozers** 19 **Engines** 119 **Air Tankers** 0 **Helicopters** 2

Water Tenders 36 **Overhead Personnel** 274

Total Personnel: 1,746

Current Situation: Fire remains in the Mill Creek and Deer Creek drainages. There is no longer an imminent structure or infrastructure threat. Use of fire crews is still, and will be critical due to the rugged terrain. Fire continues to burn in the Ishi Wilderness Area with slow growth due to MIST (Minimum Impact Suppression Tactics) tactics employed by US Forest Service Hotshot crews. The US Forest Service Hotshot crew's aggressive work yesterday enabled the MIST tactics to be ahead of schedule. With favorable weather forecasted today, high humidity's and low temperatures, the predicted containment date will be met. Aircraft and fire equipment is being released as the containment increases, making these resources available for other incidents statewide should the need arise.

Road Closures: The area between Highway 32 and Highway 36 known as the Deer Creek and Mill Creek Recreation Area as well as the Ishi Wilderness are closed to the public. Highway 32 and Highway 36 will remain open but be aware of the heavy fire equipment traffic on those highways.

Evacuations: None

Additional Information: Sections of the fire have moved into fire suppression repair stages.
