## 28 Remote Wildland Fires – 100% Contained

Twenty-eight remote wildland fires, ranging from a single tree to 4 acres are 100% contained. The wildland fires were located in Sonoma (20 fires), Solano (4 fires), Lake (3 fires) and Colusa (1 fires) Counties. The wildland fires were reported early in the morning of June 10 through last report of June 12, in the late afternoon.

In the region, there is a possibility of more fires, as the weathers warms and smoldering, lightning wildland fires “come to life”. CAL FIRE resources are monitoring the areas which had fire activity and are ready to respond if new wildland fires occur.
