

BRIDGES FIRE

TCU Incident Update

August 17, 2013, 8:00PM

www.fire.ca.gov

Fire Information Line: 209/754-5527

Location:	Parrott's Ferry Road and Camp Nine	County:	Calaveras County
Acres:	127 acres	% Containment:	25%
Start Date and Time:	Saturday, August 17, 2013, at 10:11 AM.	Expected Containment:	Unknown
Injuries:	2 injuries	Structures Destroyed:	Structures in area, but not immediately threatened at this time.
Cause:	Under investigation.		

EMERGENCY EQUIPMENT ASSIGNED:

Fire Engines:	21	Bulldozers:	3	Water Tenders:	4	Fire Crews:	4
Airtankers:		Helicopters:				Total Personnel:	138

Current Situation: Brush and oak woodland vegetation. Access has been an issue. Steep, rocky terrain makes fire suppression work extremely difficult especially during the nighttime hours.

Evacuations: None

Evacuation Centers: None

Cooperating Agencies: Altaville/Melones Fire; Angels City Fire; Murphys Fire; West Point Fire; Central Fire; San Joaquin County; Stanislaus County; Stanislaus National Forest; Los Angeles County Fire.

Additional Information: Please exercise great caution while driving through the towns of Angels Camp and Vallecito, and in the areas of Parrott's Ferry Road and Camp Nine Road. Please watch for fire vehicles and personnel. Smoke may reduce visibility, especially at night.

The next update on the Bridge Fire will be released on Monday, August 19, 2013.
