Air Tankers: 0, Helicopters: 2, Other: 2, Overhead: 6

Total Personnel: 160

Assisting Agencies: CDCR, PG&E, El Medio Fire

**Current Situations:** The fire is located above Helltown Rd., west of Centerville Rd. and east of Butte Creek. There is a containment line around the perimeter of the fire however some of the line still needs to be strengthened. Fire personnel will also continue to mop up the interior of the fire area. We ask that the public stay out of the area because of the heavy fire resource traffic on the narrow roads and that the residents in the area drive slowly and safely in the fire area. If an emergency develops around a residence within the fire area call 911 and fire resources will be directed to that incident. <http://www.readyforwildfire.org/>

**Road Closures:** Pasa Way and Centerville Rd.

**Evacuations:** None

**Additional Information:** For information related to the fire please contact the public Fire Information Line at 530-538-7826.
