Fire Information Number: 530-225-2510

Incident Name: Clover Fire

Location: Cloverdale area/south west of Redding.
12 miles southwest of Redding

Incident Start Date & Report Time: September 9, 2013, 12:24 p.m.

Incident Type: Vegetation

Cause: Under Investigation

Acres: 7400

% Containment: 40%

Estimated Containment:

Injuries: 4

Structures Destroyed: 30 **Vehicles/Equipment Destroyed:** Multiple **Damaged:**

Equipment:

Hand Crews 36 **Dozers** 7 **Engines** 107 **Air Tankers** 6 **Helicopters**

Water Tenders 18 **Total Personnel:** 1129

CURRENT SITUATION: Fire continues to move in a southwest direction and has potential to grow due to north winds and low humidity recovery. Structures in the area continue to be threatened and evacuations are in effect. Transmission and distribution powerlines are at continued risk and the Clear Creek Water District Pump Station was damaged.

A CAL FIRE Type I Incident Management Team has been ordered. Team 5 is scheduled to take command of the fire at 3 p.m. today.

ROAD CLOSURES:

- Palm Avenue and Olive Street
- Clear Creek Road at Honeybee
- Black Pine Road at Gas Point Road
- Cloverdale Road at Hawthorne Avenue
- Placer Road at Cloverdale Road
- Placer Road at Platina Road

EVACUATIONS: Residents have been advised to evacuate from the following areas:

- Clear Creek Road and Cloverdale Road
- Everything southwest to Gas Point Road and Small Farms and Marsha Way
- Gas Point Road and Happy Valley Road
- Small Farms track south to Black Pine Road
- Cloverdale from Clear Creek to Oak
- Oak to Palm
