Summit Fire Fully Contained

Butte County – The Summit Fire that was reported on Friday, October 4th at 5:35 p.m. has been fully contained. While the fire is contained, there are still areas within the perimeter of the containment lines that continue to burn. Fire crews and equipment will be working in these areas throughout the weekend and everyone traveling the roadways is urged to use caution in the affected areas.

All evacuations and road closures have been lifted.

The fire burned a total of 305 acres, destroyed three residential structures and damaged two others. Multiple outbuildings and vehicles were also destroyed.

The cause of the fire remains under investigation.
