This large fire list includes fires 300 acres and greater to which CAL FIRE and other Wildland Fire agencies responded. Data is taken from the ICS 209's available at <https://fam.nwcc.gov/fam-web/>. Total statistics are not final, and may not match any other fire statistics being produced by CAL FIRE at this time. Structures Destroyed = Residence, commercial property, outbuilding or other structure that is declared lost. Structures Damaged = Residence, commercial property, outbuilding or other structure that's usefulness or value is impaired. Fatalities = Death of fire service personnel or civilian assigned to the incident.
