Strategic Fire Plan developed for Riverside Ranger Unit:

- The Riverside Ranger Unit plan was collaboratively developed. Federal, State, City, and County agencies within the Unit were consulted and are listed in the plan.
- Identifies and prioritizes pre fire and post fire management strategies and tactics meant to reduce the loss of values at risk within the Unit.
- The plan is intended for use as a planning and assessment tool only. It is the responsibility of those implementing the projects to ensure that all environmental compliance and permitting processes are met as necessary.
