

COMMUNITY WILDFIRE PROTECTION PLAN AGREEMENT

This Community Wildfire Protection Plan developed for the California Department of Forestry and Fire Protections Amador-El Dorado Unit:

- Was collaboratively developed. Interested parties and federal agencies managing land in the Amador-El Dorado Unit have been consulted.
- Identifies and prioritizes areas for hazardous fuel reduction treatments and recommends the types and methods of treatment that will protect communities within the Amador-El Dorado Unit.
- Recommends measures to reduce the ignitability of structures throughout the area addressed by the Plan.

The following entities attest that the standards listed above have been met and mutually agree with the contents of this Amador-El Dorado Unit Community Wildfire Protection Plan.
