<i>In Gratitude</i>	<i>iii</i>
<i>Community Wildfire Protection Plan Agreement</i>	<i>iv</i>

CHAPTER 1

THE BEGINNINGS: COUNCIL, COUNTY, AND COMMUNITIES	1
An Introduction to Mendocino County	2
The Mendocino County Fire Safe Council ◦ Local Fire Safe Councils	4
Creating the Plan	8
The CWPP and CDF Unit Plan as One Document	8
Geographical Planning Structure	9
Community Wildfire Protection Plan Planning Zones (map)	10
An Ongoing Process: Updating the Plan	11
Documentation of the Planning Process	11
Community Outreach Meetings: Gaining Collaboration and Information	12
Communities Included ◦ Meeting Locations ◦ Dates	13
Community Meeting Format	13
Acknowledgements	14

CHAPTER 2

LOCAL HEROES: THE VOLUNTEER FIRE DEPARTMENTS OF MENDOCINO COUNTY	17
Local Fire Departments: Models of Service and Sacrifice	18
The Volunteer Fire Departments	20
Mutual Aid / Planning Zone 1	20
Brooktrails ◦ Covelo ◦ Leggett ◦ Little Lake/Willits ◦ Long Valley/Laytonville ◦ Piercy ◦ Whale Gulch	
Mutual Aid / Planning Zone 2	23
Hopland ◦ Potter Valley ◦ Redwood Valley/Calpella ◦ Ukiah City ◦ Ukiah Valley	
Mutual Aid/ Planning Zone 3	26
Anderson Valley ◦ Elk ◦ Redwood Coast (Point Arena) ◦ South Coast (Gualala) ◦ Greenwood Ridge	
Mutual Aid/ Planning Zone 4	28
Albion-Little River ◦ Comptche ◦ Fort Bragg ◦ Mendocino ◦ Westport	
The Chiefs' Concerns	30
Local Government Fire Districts (map)	32

CHAPTER 3

CDF MENDOCINO UNIT WILDFIRE MANAGEMENT PLAN 2005 33

Part One: The Overall Picture

Mendocino Unit Executive Summary	34
Wildfire Suppression Resources ◦ Wildfire Prevention Efforts	34
CDF Fire Management Planning Process Overview	36
California Fire Plan Goals and Objectives	37
California Fire Plan Framework	38
Fuels, Weather, Topography, and Other Factors	39
Fuels Ranking: Type and Topography	39
Mendocino Unit Fuel Rankings (map)	41
Severe Weather Assessment	42
Remote Automated Weather Station Catalog Information (chart)	43
Severe Fire Weather (map)	44
History of Large Fires	45
Mendocino Unit Fire History 1922-2004 (map)	46
Ignitions and Initial Attack Successes	47
Mendocino Unit Fire Cause 1995-2004 (graph)	48
Mendocino Unit Fire Cause 2004 (graph)	49
Mendocino Unit Initial Attack Success-Failure 1994-2004 (map)	50
Mendocino Unit Fire Workload and Failure Density 1994-2004 (map)	51
Mendocino Unit Level of Service 1995-2004 (map)	52
Assets at Risk (chart)	53
Assets at Risk (maps)	54-66
Air Quality ◦ Ecosystem Health ◦ Hydroelectric Power ◦ Infrastructure	
Non-Game Wildlife ◦ Range ◦ Recreation ◦ Scenic ◦ Soil Erosion	
Structures ◦ Timber ◦ Water Storage ◦ Water Supply	
Mendocino Unit (and County) Stakeholders	67

Part Two: Unit Fire Management Action Plan

CDF Battalion Reports	69
CDF Battalion 1 / Planning Zone 1: Covelo	70
Collaboration ◦ Local Fire Problem	70
Past Projects ◦ Future Projects	71
Fire Safe Council Community Meeting	71
Covelo Battalion Fuel Reduction Projects (map)	73
Battalion 1 Fire Cause 2004 (graph)	74

CDF Battalion 2 / Planning Zone 1: Willits	75
Collaboration ◦ Assets at Risk	76
The Fire Situation: The Present ◦ The Desired Future Condition	77
Ignition Workload Assessment: Brooktrails Fuels Management	78
Vegetative Fuels and Structure Fuels ◦ Severe Fire Weather	79
Projects: Ongoing Prevention Activities ◦ Future Projects	79
Institutional Issues	80
Fire Safe Council Community Meeting	81
Battalion 2 Fire Cause 2004 (graph)	82
CDF Battalion 3 / Planning Zone 2: Ukiah	83
Acreage Fire Prevention Activities	84
Vegetation Management Program (VMP) Activities	86
West Side Ukiah VMP	86
Hopland Field Station/Red Mountain VMP	87
Pyramid Ridge VMP/Knob Cone Pine Study	89
North Cow Mountain VMP	89
Fire Safe Council Community Mtgs: Ukiah ◦ Hopland ◦ Redwood Valley	91
Battalion 3 Fire Cause 2004 (graph)	94
CDF Battalion 4 / Planning Zone 1: Laytonville	95
Collaboration ◦ Local Fire Problem ◦ Past and Ongoing Projects	95
Future Projects: Education and Roadside Fuel Breaks	97
Fire Safe Council Community Meetings: Laytonville ◦	98
Leggett and Piercy	99
Battalion 4 Fire Cause 2004 (graph)	100
CDF Battalion 5 / Planning Zone 3: Boonville	101
Fire Prevention Activities	102
Little Mill Creek Sheltered Fuel Break	102
Fire Safe Council Community Meetings:	
Boonville/Anderson Valley ◦ Point Arena/ South Coast	103
Battalion 5 Fire Cause 2004 (graph)	105
CDF Battalion 6 / Planning Zone 4: Fort Bragg	106
Battalion 6 Forecast ◦ Fire History 2004	107
Fire Prevention Education Activities ◦ Fire Prevention Projects	108
Fire Safe Council Community Meetings:	
Westport ◦ Mendocino/Fort Bragg	109
Battalion 6 Fire Cause 2004 (graph)	113

CHAPTER 4

COMPLETING THE PICTURE: CONCLUSIONS AND ACTIONS FOR COMMUNITY WILDFIRE PROTECTION

114

Defining Wildland-Urban Interface Boundaries in Mendocino County

Interface Communities ◦ Intermix Communities

114

Assets at Risk Identified by County Residents

116

Structure Ignitability in Mendocino County

119

The Destructive Power of Embers

120

Recommendations for Ignition Resistant Building Construction

120

Fire Safe Planning in Mendocino County

121

Wildfire Mitigation Projects and Priorities for Mendocino County

123

Part 1: All Current and Proposed Projects

123

Mendocino County Fire Safe Council Projects

123

CDF's Current and Proposed Fuels Treatment Projects (by battalion)

127

Bureau of Land Management (BLM) Proposed Projects

129

U.S. Forest Service Proposed Projects for the Mendocino National Forest

130

Part 2: Fuel Reduction Projects (summary of all projects)

131

Roadblocks to Safety

133

Inconsistent, Illegible, or Nonexistent Road and Address Signage

134

Resistance to Fire Safe Efforts

134

Non-Residents or New Residents

135

A Vision for the Future: Fire Safe Homes and Communities

136

APPENDICES

Appendix A: California Fire Alliance List of "Communities at Risk"

138

Appendix B: WUI Communities in Mendocino County as Identified by

Community Meeting Attendees

139

Appendix C: Land Ownership (map)

145

Appendix D: Fire Hazard Severity Zones (map)

146

Appendix E: Mendocino County Cooperative Aerial Fire Patrol

147

Fire Plan Contact Information

148
