

# Table of Contents

<b>Executive Summary</b>	<b>1</b>
<i>Goal and Objectives</i>	1
<i>Fire Plan Framework</i>	1
<b>1. Findings and Recommendations</b>	<b>5</b>
<i>Levels of Wildland Fire Protection Services</i>	5
<i>Wildland Fire Protection Fiscal Issues</i>	9
Prefire Management Program to Reduce Wildfire Costs and Losses	12
<b>2. Fiscal Framework</b>	<b>15</b>
<b>3. Fire Plan Framework</b>	<b>21</b>
<i>Legislative Mandate</i>	21
<i>Fire Plan Assessment System</i>	21
<b>4. Assets at Risk</b>	<b>27</b>
<i>Introduction</i>	27
<i>Air Quality</i>	29
<i>Range</i>	31
<i>Recreation on Public Wildlands</i>	31
<i>Structures</i>	31
<i>Timber</i>	32
<i>Water and Watersheds</i>	32
<i>Wildlife, Habitat, Plants, and Ecosystem Health</i>	33
<i>Other Resource Values</i>	34
<b>5. Prefire Management Initiative</b>	<b>37</b>
<i>Introduction</i>	37
<i>Key Components of Prefire Management</i>	39
<i>Prefire Management as Part of the Fire Plan</i>	41

<b>Appendix A. Fiscal Framework Charts and Assumptions</b>	<b>43</b>
<i>Wildland Fire Protection Budgets by Level of Government by Fire Phase</i>	43
<i>Who Pays for Fire Protection Costs and Wildfire Damage</i>	44
<b>Appendix B. Level of Service Rating and Process</b>	<b>46</b>
<i>Background</i>	46
<i>Level of Service Rating</i>	46
<i>LOS Rating Process</i>	49
<i>Multiple Major Incident Capability</i>	54
<i>The Fire Plan Field Team</i>	55
<b>Appendix C. Assets at Risk and their Role in the Fire Plan</b>	<b>56</b>
<i>Introduction</i>	56
<i>Air Quality</i>	58
<i>Rangeland</i>	66
<i>Recreation, Cultural and Historic Resources</i>	69
<i>Structures</i>	77
<i>Timber</i>	78
<i>Water and Watersheds</i>	82
<i>Wildlife, Habitat, Plants, and Ecological Health</i>	92
<i>Aggregating Values of Assets at Risk Statewide and at Ranger Units</i>	96
<i>Prefire Management Project Selection and Cost Sharing</i>	101
<i>Summary</i>	103
<i>Literature Cited</i>	103
<b>Appendix D. Prefire Management Process: For Pilot Ranger Units and the Postfire Component</b>	<b>108</b>
<i>Summary</i>	108
<i>Postfire Assessment</i>	109
<i>A Planning Approach for Postfire Hazard Reduction</i>	109
<i>Prefire Planning Process for Pilot Ranger Units</i>	110
<b>Appendix E. Blue Book Allocation and Staffing Standards</b>	<b>112</b>
<i>Introduction</i>	113
<i>Action</i>	114
<i>E Fund</i>	114
<b>Glossary</b>	<b>116</b>
